## Want us to do a Health Evaluation on a child? GREAT!

We look forward to helping you, *but first...*

Make sure you notify the Parent/Guardian and have the **CONSENT TO REFER**, shown here, completed. If you need copies please ask your Child Care Health Consultant.

We want to prevent any parent/guardian from being surprised by their child being evaluated and do our best to inform and support the families we serve.

### CONSENT TO REFER to the Child Care Health Consultant

The Child Care Health Consultant is provided by the Cabarrus Partnership for Children. The Child Care Health Consultant is a Registered Nurse assigned to your childcare provider. Your child's teacher or other staff may refer your child to the nurse for a health evaluation. You will be informed of any identified concerns. In the event of suspected communicable diseases, (e.g. head lice, scabies, chicken pox, etc.) all identified students will be evaluated by the nurse at the request of the school staff.

PLEASE COMPLETE THIS CONSENT FORM AND RETURN IT TO YOUR CHILDCARE PROVIDER AS SOON AS POSSIBLE. IT WILL REMAIN IN EFFECT WHILE YOUR CHILD ATTENDS THIS CHILDCARE PROVIDER OR UNTIL YOU DECLINE THIS SERVICE.
