Dear Community Partners:

The Cabarrus County Partnership for Children is an organization dedicated to serving our youngest children and families. In the past nineteen years we have served 1,000's of Cabarrus County children and families to ensure success in school. We are currently in the early stages of planning our Voices for Children Luncheon for the Winter Holiday season.

This event includes our community partners and new folks that are interested in our programs. The success of our event and our outreach is dependent entirely upon the financial support of private sponsors. We have been fortunate in the past years to have the support from several corporate sponsors and we are hopeful that this year will be no exception. Please change a life by becoming a sponsor of the Voices for Children Luncheon.

We would like to ask that you consider becoming one of our 2017 Corporate Sponsors. As a sponsor, you will receive positive media attention from your association with the Cabarrus County Partnership for Children, a 501 (c) (3) non-profit. For example, we will promote your organization on our website.

We have included a sponsorship fact sheet and detailed sponsorship proposal for your review. If you are interested in becoming a sponsor for the Cabarrus County Partnership for Children, please don't hesitate to contact us. Thank you in advance for taking the time to review our sponsorship proposal package.

Sincerely,

Ann Benfield
Executive Director
