## DENTAL CARE INFORMATION FROM THE CHA DENTAL CLINIC

1. Screenings for NC Pre-K have to be done by a dentist – we offer them for free at both of our fixed sites as well as comprehensive care for all kids, regardless of insurance.
2. Medicaid, private insurance, and uninsured patients are accepted and they may qualify for grant funding to cover their services
  - A. Medicaid covers dental treatment at no cost!
  - B. Kids should be seen by their first birthday at dental offices but most parents are unaware of that. Please encourage parents to make an appointment.

If you have any questions, you can reach out to our front office 704-920-1070. Bilingual staff are always available.

CCHCs have tear-away Referral sheets as seen below that can be requested if you believe a child needs dental care.
