

Handwashing Posters-UPDATES!

***Handwashing Posters** – The Child Handwashing poster and the Assisting Handwashing posters are now combined for convenience and clarity.

*This new poster is available for ordering and download on:

<https://healthychildcare.unc.edu/resources/posters/>

- It contains the same information as both the Child and the Assisting Handwashing but everything is on one page. This change allows early educators to see:
 1. The full steps to handwashing that were previously only mentioned in the assisting poster.
 2. “3 towel method” included with Child Handwashing.
