- \*Cabarrus County will be recruiting and filling an additional position to hopefully reduce wait time.
- \*For Providers, the following items need to improve on our end:
  - A. No-Shows—a number of potential day care workers are not showing up for their appointments, which means the appointment could have been available for someone else.
  - B. Documentation—a number of potential day care workers are showing up without proper documentation, they will need:
    - \*A valid NCID, not expired, with the correct information (name, Cabarrus County address, etc.)
    - \*The electronic submission forms (2 pages) printed off. The first page is the release allowing them to print the employee, the second page is their demographic information and the address (codes) telling us where to send the prints electronically.
    - \*BE ON TIME—appointments are every 15 minutes, so being on time and prepared is very helpful!
    - \*If you need to CANCEL your appointment, please call 704-920-3100, anyone that answers can assist you.
