I. GENERAL INFORMATION

Introduction

Smart Start is North Carolina's nationally recognized and award-winning early childhood initiative designed to ensure that every young child living in North Carolina enters school healthy and ready to succeed. The Cabarrus County Partnership for Children is the local non-profit organization that administers Smart Start funds in Cabarrus County. We collaborate with existing programs and support the creation of new ones to measurably strengthen families and improve the lives of their youngest children.

Purpose of the Request

The Cabarrus County Partnership for Children is seeking proposals from programs that provide data driven, collaborative, measurable and meaningful early childhood related services and support to as many families as possible within Cabarrus County.

Experiences during early childhood shape the structure of the brain. Because today's children are tomorrow's leaders everyone has a stake in making sure that all children have the experiences they need to thrive. Providing support to the programs and people who are involved in a young child's life—families, teachers, doctors, caregivers, social workers, and many others is a way to ensure every child has all they need for healthy growth and development.
