

# Cabarrus County's Early Intervention Programs

Are you concerned about your child's early development in any of the following areas?

- **Physical** — reaching, rolling, crawling, walking
- **Cognitive** — thinking, learning, solving problems
- **Communication** — talking, listening, understanding
- **Social/Emotional** — playing, feeling secure and happy
- **Self-help** — eating, dressing, etc.

If so, your child may need early intervention services tailored to his or her needs.

## What Is Early Intervention?

Early intervention is a set of services that can help young children with developmental delays or disabilities learn skills and catch up in their development.

## Who Do You Call If You Have Concerns?

**If your child is birth to 3 years old:**

Contact the Concord CDSA (Children's Developmental Services Agency)  
**704-786-9181**

**If your child is 3 to 5 years old:**

Contact Cabarrus County Schools, Mary Frances Wall Child Development Center  
**704-782-5712**

or

Kannapolis City Schools, McKnight Child Development Center  
**704-932-7433**

## What To Expect When You Call?

The CDSA and school systems provide free screenings or evaluations to determine if your child is eligible for early intervention services and staff will step you through the process for setting up services if needed.
